

ICME 2021 VIRTUAL CONFERENCE

About ICME

International Conference on Medical Education (ICME) was launched by Riphah International University in 2009 to provide a credible platform for interaction of world renowned experts in Health Profession Education. ICME has so far been organized biennially in Abu Dhabi, Mauritius, Istanbul and Joint Conference with Ottawa 2018 in Abu Dhabi. It was second occasion, after the first ICME in 2009, that the conference was organized in October 2019 in Islamabad after ten years

ICME 2021 Virtual Conference

Because of Covid 19 situation prevailing throughout the world it appears that international travel will not be opened until about a year. Even if it opens, we expect some restrictions. Moreover, many will be reluctant to travel for some time. Looking to this situation and after consultation with our guest speakers we have decide to have ICME 2021 as virtual conference. We apologies to those who were looking forward to visiting the beautiful country, Indonesia. The structure of registration fee, dates to remember and scientific program are being amended accordingly. Please continue to visit the website for updates
