

Presentation with e-Poster Guidelines

1. Posters presentation will be grouped together in themed sessions for presentation through the Zoom meeting. Approximately 10 presenters will be asked to give a **7 minute** presentation to introduce key messages of their poster, followed by the 3 minutes question and answer session. Each session will have a Chairperson and a moderator.
2. The poster presentation will be conducted in the form of video presentation played back.
3. The presenter/you must provide of your presentation using **the poster template from ICME committee**, and record their video presenting it using any recording tool, and then send it to the committee.
4. Presenter/you may send pre-recorded video with the below guidelines :
 - a. File type : MP4
 - b. Length of video : maximum 7 minutes
 - c. Size : Maximum 400 MB
 - d. Mode of sending : Upload via <http://form.fkuii.id/view.php?id=683416>
 - e. Deadline of submission: March 23th, 2021 by 8 pm GMT +7
5. Rename the video file (video recording) using your code from the program (to be uploaded on March 15, 2021 on ICME Website) and add your first name, for instance: PP1F001-Uma.
6. At the end of each presentation there will be Live Question and Answer Session through the Zoom meeting. All presenters should be there to attend it.
